I am presently the coordinating attorney on the NEPACCO investigations and the suit against NEPACCO and Syntex Agribusiness, Inc. I have been informed by (b) (6) that she has recently gone to work for (b) (6). She is employed in (b) (6) with the company. I have also received information from (b) (6) that (b) (6) whom I have never met. (b) (6) who supposedly is a (b) (6) has supposedly (b) (6) and has (b) (6) listed as one of his creditors in that action. I do not believe that either of these situations causes me any conflict of interest in proceeding as the coordinating attorney in the Syntex matters, but I thought it advisable to relate the information to you. Please contact me at 2186 if you have any questions on this matter.
